Dear Mr. Colombano,

On behalf of the Security Council Committee established pursuant to resolution 1718 (2006), I write in reference to your letter dated 2 April 2024, conveying to the Committee a request, on behalf of the non-governmental organization Coal Briquettes for Neighbors in Korea (CBNK), for a further extension of the exemption granted on 4 April 2022 and extended until 3 April 2024, pursuant to paragraph 25 of resolution 2397 (2017) and in accordance with Implementation Assistance Notice No.7, to engage in humanitarian activities in the Democratic People's Republic of Korea (DPRK) of CBNK, in particular to allow for the provision of coal briquette machines for the prevention of water and food-borne diseases among vulnerable populations in Goseong County, Gangwon Province of the DPRK, for an additional 12 months period, due to delays as a result of the COVID-19-related restrictions and the closure of the DPRK borders.

I have the further honour to inform you that, following due consideration, the Committee has decided to adjust the timeframe for the exemption until 8 April 2025, to complete the shipment of the relevant items, in accordance with paragraph 25 of resolution 2397 (2017).

I wish to inform you that this letter and its annex will be published on the 1718 Committee website for the public, including relevant national authorities involved in reviewing the exempted transfers to the DPRK, for a period of 12 months.

The Committee would like to thank the United Nations Resident Coordinator in the DPRK for its diligence.

Yours sincerely,

(Signed)

Pascale Baeriswyl Chair Security Council Committee Established pursuant to resolution 1718 (2006)

HEADQUARTERS | SIEGE | NEW YORK, NY 10017

5 April 2022

Excellency,

On behalf of the Security Council Committee established pursuant to resolution 1718 (2006), I have the honour to refer to your letter dated 24 March 2022, conveying to the Committee a request for an exemption pursuant to paragraph 25 of resolution 2397 (2017) on behalf of the nongovernmental organization Coal Briquettes for Neighbors in Korea (CBNK), to engage in humanitarian activities in the Democratic People's Republic of Korea (DPRK), in particular to allow for the import of coal briquette machines for the prevention of water and food-borne diseases among vulnerable populations in Goseong County, Gangwon Province of the DPRK.

I have the further honour to inform you that, following due consideration, the Committee has decided to approve the requested exemption in the abovementioned letter, in accordance with paragraph 25 of Security Council resolution 2397 (2017), to transfer the items and services outlined in your letter within the next 12 months, which is enclosed in this letter as an attachment. The items are requested to be shipped once together or in a consolidated manner, with a view to increasing efficiency of shipping and custom clearance.

The Committee reiterates that the sanctions measures imposed by the Security Council through its resolutions with respect to the DPRK are not intended to bear a negative impact on the people of the DPRK, and the note verbale it issued to all Member States, as well as its press release SC/13113 of 8 December 2017, offer clarifications as regards humanitarian aid to the DPRK. The note verbale further recalls that each Member State must fully implement relevant Security Council measures, while keeping in mind the need to clarify to public and private sector entities in their jurisdiction that, while properly implementing United Nations sanctions, humanitarian activities should not be unduly restricted.

The Committee further supports and approves the Republic of Korea engaging in necessary business and financial transactions only for the purchase of goods and services exempted by the Committee and found in the attachment without prejudice to the relevant commercial decisions.

His Excellency Mr. Cho Hyun Permanent Representative of the Republic of Korea to the United Nations New York At the same time, the Committee requests relevant organizations delivering humanitarian assistance to the DPRK to adhere to the exemption time limit approved by the Committee and fully respect and abide by relevant national laws, regulations, and licensing requirements governing financial and commercial transactions, and shipping and custom clearance conducted in the jurisdictions of affected Member States.

I wish to inform you that this letter and its annex will be published on the 1718 Committee website for the public, including relevant national authorities involved in reviewing the exempted transfers to the DPRK, for a period of 12 months.

The Committee would like to thank the Republic of Korea for its diligence.

Please accept, Excellency, the assurances of my highest consideration.

(Signed)
