

6 December 2024

Dear Mr. Colombano,

On behalf of the Security Council Committee established pursuant to resolution 1718 (2006), I have the honour to refer to your letter dated 2 December 2024, conveying to the Committee a request, on behalf of Gyeonggi-do Provincial Government (GGD), for a further adjustment of the timeframe for the exemption granted on 4 August 2020 and extended until 28 December 2024, pursuant to paragraph 25 of resolution 2397 (2017) and in accordance with Implementation Assistance Notice No. 7, to engage in humanitarian activities in the Democratic People's Republic of Korea (DPRK), in particular to allow for the import of items to support the Improving Nutrition of Vulnerable Groups project, in Nampo and South Pyongan Province, through the provision of a glass greenhouse system and related materials, for an exceptional 12 months, due to the number of steps and time needed to proceed with the exports of the items.

I wish to inform you that, following due consideration of the information provided, the Committee has decided to further adjust the timeframe for the exemption until 6 December 2025, to allow for the shipment to the DPRK of the abovementioned items, in accordance with paragraph 25 of Security Council resolution 2397 (2017).

The Committee would like to thank the Office of the UN Resident Coordinator in the DPRK for its diligence.

Yours sincerely,

(Signed)

Pascale Baeriswyl
Chair
Security Council Committee established

Dear Mr. Muring,

On behalf of the Security Council Committee established pursuant to resolution 1718 (2006), I have the honour to refer to your letter dated 20 December 2023, conveying to the Committee a request, on behalf of Gyeonggi-do Province (GGD), for a further adjustment of the timeframe for the exemption granted on 4 August 2020 and extended until 25 January 2023, pursuant to paragraph 25 of resolution 2397 (2017) and in accordance with Implementation Assistance Notice No. 7, to engage in humanitarian activities in the Democratic People's Republic of Korea (DPRK), in particular to allow for the import of items to support the Improving Nutrition of Vulnerable Groups project, in Nampo and South Pyongan Province, through the provision of a glass greenhouse system and related materials, for an exceptional 12 months, due to challenges related to the shipment of goods as a result of the COVID-19 pandemic.

I wish to inform you that, following due consideration of the information provided, the Committee has decided to further adjust the timeframe for the exemption until 28 December 2024, to allow for the shipment to the DPRK of the abovementioned items, in accordance with paragraph 25 of Security Council resolution 2397 (2017).

The Committee would like to thank the Office of the UN Resident Coordinator a.i. in the DPRK for its diligence.

4 August 2020

Excellency,

On behalf of the Security Council Committee established pursuant to resolution 1718 (2006), I have the honour to refer to your letter dated 24 July 2020, conveying to the Committee a request for an exemption pursuant to paragraph 25 of resolution 2397 (2017) on behalf of Gyeonggi-do Province (GGD), to engage in humanitarian activities in the Democratic People's Republic of Korea (DPRK), in particular to allow for the import of items to support the Improving Nutrition of Vulnerable Groups project, in Nampo and South Pyongan Province, through the provision of a glass greenhouse system and related materials.

I have the further honour to inform you that, following due consideration, the Committee has decided to approve the requested exemption in the abovementioned letter, in accordance with paragraph 25 of Security Council resolution 2397 (2017), to transfer the items and services outlined in your letter within the next six months, which is enclosed in this letter as an attachment. The items are requested to be shipped once together or in a consolidated manner, with a view to increasing efficiency of shipping and custom clearance.

The Committee reiterates that the sanctions measures imposed by the Security Council through its resolutions with respect to the DPRK are not intended to bear a negative impact on the people of the DPRK, and the note verbale it issued to all Member States, as well as its press release SC/13113 of 8 December 2017, offer clarifications as regards humanitarian aid to the DPRK. The note verbale further recalls that each Member State must fully implement relevant Security Council measures, while keeping in mind the need to clarify to public and private sector entities in their jurisdiction that, while properly implementing United Nations sanctions, humanitarian activities should not be unduly restricted.

His Excellency
Mr. Cho Hyun
Permanent Representative of the Republic of Korea
of the United Nations
New York

The Committee further supports and approves the Republic of Korea engaging in necessary business and financial transactions only for the purchase of goods and services exempted by the Committee and found in the attachment without prejudice to the relevant commercial decisions.

At the same time, the Committee requests relevant organizations delivering humanitarian assistance to the DPRK to adhere to the exemption time limit approved by the Committee and fully respect and abide by relevant national laws, regulations, and licensing requirements governing financial and commercial transactions, and shipping and custom clearance conducted in the jurisdictions of affected Member States.

I wish to inform you that this letter and its annex will be published on the 1718 Committee website for the public, including relevant national authorities involved in reviewing the exempted transfers to the DPRK, for a period of six months.

The Committee would like to thank the Republic of Korea for its diligence.

Yours sincerely,

(Signed)

Christoph Heusgen
Chair
Security Council Committee established
